

## CLASSIC EYELINER WITH ROMERO

### STEP 1 OF 9

Prep the eye with a primer. Apply on the eye lid and crease using a soft brush.

222 Tapered Blending

### STEP 2 OF 9

Set the primer with a beautiful light olive/taupe eye shadow. The lid should look like real fresh skin.

■ Eye Shadow – Satin Taupe  
224 Tapered Blending Brush

### STEP 3 OF 9

Look at the shape of the eye and start the line in the center of the eye and then continue outward to the outer crease using a gel liner.

■ Fluidline – Blacktrack  
224 Tapered Blend Brush

## STEP 4 OF 9

Take a step back and look at the shape of your first attempt and then continue to extend the liner in stages until you are satisfied with the results. Achieve intensity by going over the liner a few times to get the liner super dark with no spaces or gaps!

- Fluidline – Blacktrack  
266 Small Angle Brush

## STEP 5 OF 9

Add a lighter eye pencil to the lower lash line to counter balance the dark liner on the top.

- Eye Kohl – Fascinating

## STEP 6 OF 9

Curl lashes to add definition to the look.

- Lash Curler

## STEP 7 OF 9

Apply a generous amount of mascara (if this look needs some more drama, add one of our ravishing false lashes)

■ Plush Lash Mascara – Plushblack

## STEP 8 OF 9

Add a medium dark shadow to the lower outer corner of the eyes to extend the liner look and contrast against the lighter eye pencil.

■ Eye Shadow – Club  
242 Shader Brush

## STEP 9 OF 9

Apply a bit of clear brow gel to the eye brows to groom and complete the look. Extend and fill in the brow if necessary!

□ Brow Set – Clear
